

Fatema Begum Mahera

Studying in Bachelor of Science in Computer Science & Engineering.

PROFILE

I am doing BSc in Computer Science and Engineering at International Islamic University Chittagong (IIUC). Basically, my main goal is to become a programmer. I learned many programming languages like C, Python and the basics of JavaScript. I also learned how to build responsive websites. Besides spending time in front of the computer, I am active in university clubs events and programs.

CONTACTS

City view residential area, Nazirpara, Muradpur, Chattogram.
